

PatioMaster[®]
IN-LINE SLIDING PATIO DOOR

New Sculptured Sash

✓ All about choice

At PatioMaster we focus on what we do best: made to measure patio doors. Our goal is to bring you the widest product range on the market whilst committing to a rapid, efficient and personalised service.

As part of our policy of continuous product development we are pleased to present the new versatile sculptured sash.

The new sash detail provides an alternative to the system's established

chamfered sash, delivering new flexibility to match aesthetics across a range of window systems.

The slim sculptured sash detail is designed for easy manufacture and easy-clean maintenance.

It is stocked in White, Antique Oak, Mahogany and Rosewood, and 15 other colour options and dual finishes are available to order, delivering a great range of choice.

Visit today www.patiomaster.co.uk

Our promise is to bring you the **best in-line patio doors** on the market. Designed for easy and **trouble free** installation our door is suitable for all applications. We operate through a network of **fabricators** to give you the best support from a location close to you. Focused on delivering your order, **made to measure**, in your choice of finish, within **5 working days**.

PatioMaster at a glance

- DSER 'A' rated option
- Choice of 19 finishes
- Slim stepped 86mm outer frame that reduces plaster cutback and enhances visual appearance
