

# PatioMaster Warranty

This warranty applies only to patio doors supplied by a registered PatioMaster fabricator.

- 1** The components of a PatioMaster patio door are warranted for 10 years against faults arising as a result of defective materials providing the patio door has been manufactured and installed in accordance with the specifications contained within the PatioMaster Technical Manual, Price lists or any other related literature.
- 2** In the event of a fault arising and within the terms of this warranty, PROFILE 22 SYSTEMS will supply replacement materials only, free of charge.
- 3** Some loss of gloss level and colour with time occurs with all PVC-U products and so this level of deterioration does not form part of this warranty.
- 4** This warranty does not cover any faults, which occur as a result of the end users failure to maintain the product in accordance with the recommendations given in the PatioMaster Technical Manual or associated literature. Particular attention is drawn to the requirement to inspect and lubricate all moving parts annually.
- 5** This warranty excludes damage or faults due to accidents, misuse, neglect, land subsidence force majeure or defects in adjoining property.
- 6** This warranty excludes any glass panels, infill panels, ancillary trims and any solid brass furniture that may be supplied. The discoloration of mastic seals is a natural occurrence which cannot be avoided and as such is excluded from this warranty.
- 6** This warranty is subject to the terms and conditions of PROFILE 22 SYSTEMS Conditions of Sale.

The terms of this warranty does not affect your statutory rights.
