70mm ACCESSORIES	PRODUCT INTRODUCTION	MAR	2017	0	T1702	01

As part of our policy of continuous product improvement we are pleased to announce the introduction of two new Ribbed Fixing Lugs: Part Numbers **BL03** (190mm) & **BL04**. (265mm). These parts have been designed for applications where additional rigidity is required and/or where the cavity size requires a longer component.

AVAILABILITY

These new parts are available now.

PRICE

These new parts will be priced on application.

Should you require any further information or clarification, please contact your Customer Services Advisor or the Technical Department.
